

## The BLCC is looking for trainees (unpaid)!

The Belgium-Luxembourg Chamber of Commerce (BLCC) in Hong Kong is a non-profit organization with an active interest in developing trade between Belgium – Luxembourg and Hong Kong & the region. The Chamber has the role of platform for companies & people to connect, learn and do business.

Work directly with the General Manager of the BLCC and help out with:

- Event Organization from concept to clean-up
- Member recruitment & engagement
- Content production for & updating of Social Media, Website & Email Newsletters
- Writing, producing, distributing & promoting the digital Chamber Magazine
- Promoting BLCC Traineeship in Belgium, Luxembourg & Hong Kong
- Venue scouting
- General Admin

This traineeship is a great opportunity for those wanting to explore Hong Kong and the region. Work with the BLCC & meet dozens of interesting professionals, have an inside look in several companies & take part in government meetings. Use this traineeship to find out for yourself what industry/career/position fits well for you while helping to raise our Chamber to a higher level.

Meet up with other trainees & international students in Hong Kong, make friends & business connections that can help you later in your career and see if the expat life is for you.

This traineeship is open to students & recent graduates from Luxembourg, Belgium or Hong Kong, university or similar higher education necessary & make sure to look good in formal situations like galas & receptions. Excellent level of English absolutely required; French/Dutch very useful, Cantonese/Mandarin not required but a plus. The BLCC offers traineeships throughout the year for a duration of four months or longer.

After you've decided that you could be the right match for the Belgium-Luxembourg Chamber of Commerce, please send your motivation letter to the General Manager on [info@blcchk.org](mailto:info@blcchk.org). Well-informed, eloquent & to-the-point applications score well!

If you get the traineeship, do realize that Hong Kong is an expensive place to be & this being an unpaid position (some expenses can be covered) please ensure sufficient funds for travel, housing & living.
