

2020 HKGFA Annual Forum Financing A Green and Inclusive Recovery

RSVP NOW

You are cordially invited to our *2020 Hong Kong Green Finance Association (HKGFA) Annual Forum "Financing A Green and Inclusive Recovery"* to be virtually held on

Thursday 5th November 2020, 9 am - 5 pm HKT

This will also mark HKGFA's second anniversary. We expect over 1000 participants, including policy makers, regulators, financial institutions, company representatives and members of the civil societies from Hong Kong, mainland China and Europe.

We believe that the key to building a sustainable future is ensuring a green and inclusive recovery that addresses both environmental and socioeconomic concerns. The recovery from the pandemic presents immense opportunities to apply green and climate finance not just in Hong Kong or the Greater Bay Area, but also around the world. As such, this year's HKGFA forum speakers will explore with our members and guests the urgent topic as to what collective actions are needed to lead Hong Kong towards a brighter future with a vibrant job market, prosperous economy and cleaner environment.

Date: 5th November 2020, Thursday
Time: 9 am - 5 pm Hong Kong Time (GMT +8)
Format: Webcast
Language: English and Mandarin

Forum Sessions

- Opening Keynote Address
- Fireside Chat
- Report Release
